

FIELD TRACTOR OPERATOR POSITION

Pioneer Gardens, Inc. has a reputation for supplying growers in North America with very high quality starter herbaceous perennial plant material. The expertise of our team of growers makes that happen every day and you are invited to join these experts in the trade.

We are looking for a tractor driver to help us with various tractor driving tasks growing young perennial plants on 80 acre of fields located in beautiful Old Deerfield adjacent to the Deerfield River. Our ideal candidate has experience growing plants and or vegetables and operating agriculture tractors. Driving tractors play an important role in achieving the high quality plants our growers produce. Safety is an important part of operating a tractor as well as keeping the tractor and equipment in good mechanical condition. You will be asked to assist your colleagues to help with other tasks like cutting, planting and weeding if there is not enough tractor work. On the job training will be provided. Spring and summer hours are from 7 a.m.-3:30 pm, Monday-Friday and some Saturdays. However flexibility is required keeping the weather and plant needs in mind. Fall and winter hours would be adjusted with the season. You need to be physically fit and able to lift up to 40 lbs. Hours can be flexible to your schedule within reason. Driver's license is required.

Pioneer Gardens, Inc. offers competitive pay, a complete benefits package upon eligibility including insurance, retirement savings, 3 week paid vacation and paid holidays and an opportunity to be part of an expanding company with an enthusiastic and dedicated team. Random drug testing is part of our safety policies.

When you are interested in applying for this position please contact Jaap Molenaar at: jaap@pioneergardens.com and provide your resume and references.
